Re: Closure of Administrative Order
Docket No. SDWA-08-2003-0018
PWS ID# MT0001876

Dear Ms. McCurdie:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close Administrative Order, Docket No. SDWA-08-2003-0018, issued to Fireside Inn - Simms on September 29, 2003. Based on the information regarding the new ownership of the Fireside Inn - Simms public water system, EPA is closing the Administrative Order.

Please be aware that if you own/operate another public water system, you are still required to comply with the National Primary Drinking Water Regulations ("NPDWRs"), 40 C.F.R. part 141. Violation of the NPDWRs or an administrative order may subject you to a court-imposed injunction and penalties of up to \$32,500 per day of violation.

If have any questions about this closure letter, please call me at 406-457-5026.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric Finke", is written over a horizontal line.
